# PLATINUM™

THE LUSTRE OF FRESHLY  
PAINTED WOOD

Platinum™ premium vinyl siding has a smooth, low gloss matte finish for a truly pristine look that lasts and lasts. Together with deep, rich and distinctive shadow lines, Platinum™ can create a dramatic finish for your homes exterior.

Platinum™ vinyl siding is so original, it has been developed by experts to replicate the look of newly painted wood, but with the durability and resistance of premium thickness vinyl to stay looking fresh.

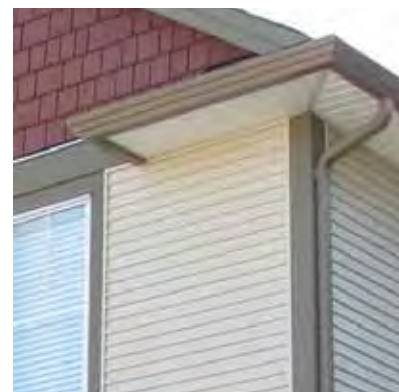

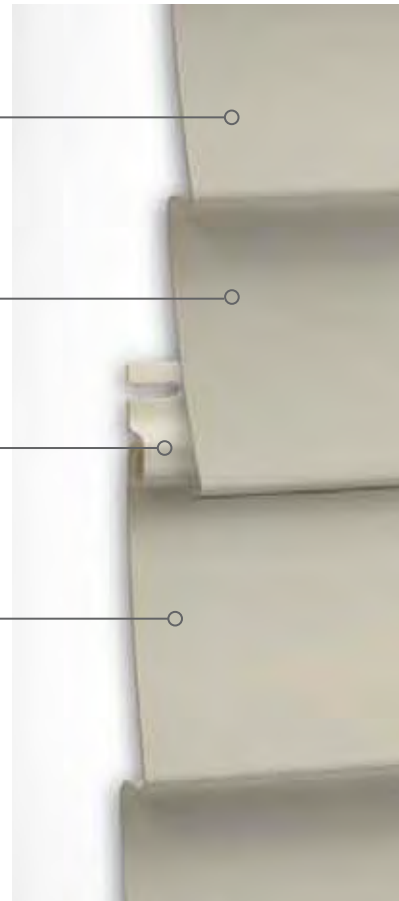

Available in a broad array of designer colors and a complete assortment of color-coordinated trims and accessories, Platinum™ delivers a unique home design that is both beautiful and easy to maintain.

Medium gauge thickness for superior durability and resistance to impact.

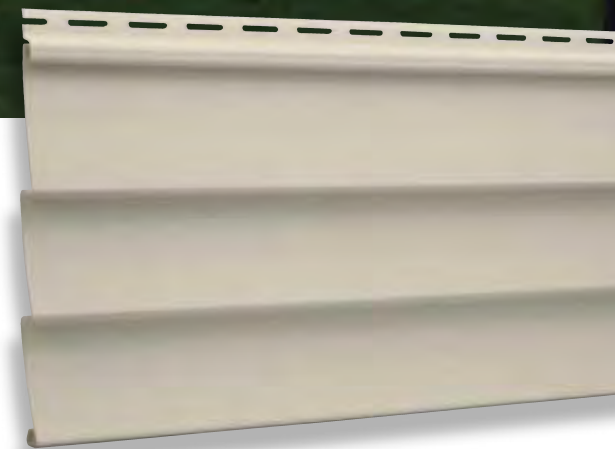

Authentic look of wood with the lustre of a low-gloss finish.

Rigid panels with interlocking system will stay straight for years to come.

Exclusive Duratron™ vinyl technology ensures weatherability and color retention.

## Colors

## BOARD & BATTEN VERTICAL

THE ALLURE OF AUTHENTIC CEDAR

Kaycan's Board & Batten vertical vinyl siding, with its distinct shadow lines, provides the authentic look of tongue and groove cedar planks.

Board & Batten is available in two finishes, smooth and woodgrain, so you can choose the look that will perfectly offset your homes individual style.

Available in an assortment of popular colors, Board & Batten offers a unique and beautiful alternative to bring out the charm and character of your home.

Premium gauge thickness provides outstanding impact resistance.

Full 1/2" profile adds a deeper dimension to your homes exterior.

Low gloss finish creates the look of freshly painted wood.

# BEADED PLANK

HANDCRAFTED, COLONIAL STYLE

Kaycan's Premium Beaded Plank offers the handcrafted, timeless beauty of horizontal beaded siding.

The combination of Kaycan's Beaded Plank low gloss brushed finish with a 5/8" reveal delivers a remarkable visual presence. This grooved bead at the base of each lap is inspired from traditional, colonial styling that provides a distinctive series of shadow lines.

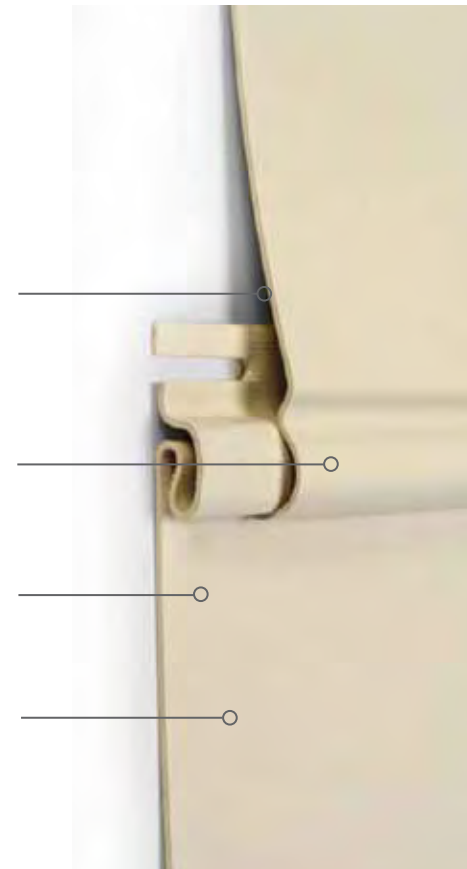

Kaycan's Beaded Plank offers a classic, handcrafted look and feel for your home that will last for years and years.

Heavy duty thick 0.046" panel offers superior durability and impact resistance.

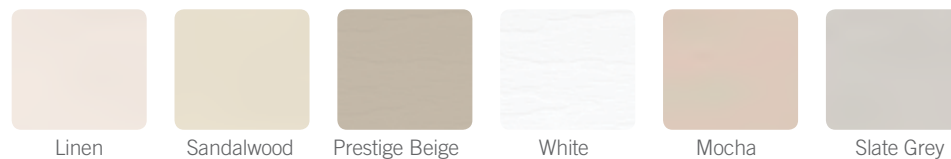

6 1/2" wide panels with 5/8" reveal for an architectural flair.

Duratron Colorfast™ Vinyl Technology ensures weatherability and color retention.

Authentic brushed woodgrain texture for a traditional appearance.

Colors

# BEADED SOFFIT

THE CHARM OF TRADITIONAL WAINSCOTING

Kaycan Beaded Soffit beautifully combines the handcrafted look and feel of traditional wainscot-style soffit and its characteristic beaded wood with the practicality that comes with vinyl.

Designed to accentuate the unique features of your home, key areas such as porches and entryways come alive with the classic architectural appeal of Beaded Soffit.

Kaycan offers 8" beaded, the authentic soffit. This 8" detail creates distinctive shadow lines and the captivating, smooth, matte finish of freshly painted wood is not only easy to clean, its fresh look will last for years to come.

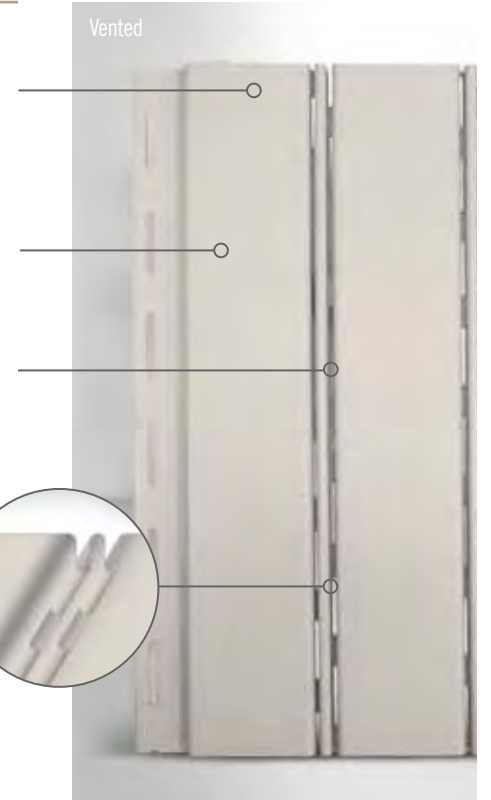

Available in both Solid and Vented, the Vented Beaded has been designed to provide ventilation where it may be required yet the perforations remain hidden to maintain the integrity of your homes exterior design.

Selection of designer colors is fully coordinated with Kaycan sidings, accessories and trims.

Luxurious, finely textured matte finish never needs painting.

Invisible vents optimize airflow but the perforations are hidden.

Vented
